S.No.	Existing Terms	Gist of Query	Decision
1.	In Page no. 13 under Scope of work : If the services are not started after 02 days of Letter of Award its performance security will be forfeited and permission for future services may also be cancelled.	It was requested by Heligo that duration provided for positioning of Helicopter is not sufficient it should be atleast 07 days.	It was decided that duration for positioning of Helicopter should be 04 days.
2.	In Page no. 13 under Scope of work : The aircrafts used for air services shall not be more than 10 years old. Such aircrafts shall be present in India at the time of submission of bids.	It was requested by Heligo that the there should not be restriction for Helicopter used to be less than 10 years as most of the Helicopter Operators in India have Twin Engine Helicopter which are older than 10 years and this clause will cause permanent ineligibility for most of the operators.	It was decided that in place of not more than 10 years, it should be read as <u>Not more than 15 years</u> in the tender.
3.	In Page no. 16 under Period of Contract : Up to 31 Dec 2021 (Extendable) from signing of the Contract. It may be extended for further period, as per requirement.	It was asked by Heligo that how much extension will be provided after completion of Contract period.	Extension depends on imposition of Model Code of Conduct by the Govt.
4.	In Page no. 16 under Liquidated Damages : If the Service Provider delays to offer any or all of the Services within the period(s) specified in the Contract, the Service Provider is liable to pay the liquidated damages as per the provision of the Uttarakhand Procurement rule. Thereafter, UCADA has the option to terminate the Contract and encash full amount of the Performance Security.	It was enquired by Heligo that how much will be the amount of Liquidation Damages.
